Why come to meetings at the Club? Zoom meetings are convenient, but it's nothing like meeting in person. We share lots of hugs and hold hands during prayers at the Club. It's a more intimate experience that supports recovery in a way that virtual meetings can't.

Join us for lots of great fellowship! You'll see why it's important to be a Club Member

- Memberships enhance 7th tradition contributions and extend recovery
- Love Zoom? Support the Club - it helps pay IT expenses
- It's one of the few facilities (nationwide) entirely dedicated to OA 24 x 7

Plan to join us for this wonderful celebration. Bring a Friend if you can!
